

A man's best friend is ...

Versatile and dependable –and unrelentingly powerful –with a massive rear deck and cargo rack, this is the perfect machine for hauling loads across any snow, any time –whether hard pack, powder or rough trail.

The removable passenger seat means you can choose to ride 2-up in comfort –or create even more cargo space. The 406 mm semi-wide track promises traction in even the deepest snow, and the wide floatation skis are designed to glide effortlessly over almost any surface.

Ideal for long, tough trips, the ProComfort 144 rear suspension soaks up the bumps for a smooth ride, while the tall, wide and tough windshield protects you against wind and snow debris.

- ▶ Double wishbone front suspension
- ▶ Push-button Electric Shift with Reverse
- ▶ Advanced fuel injection –power and economy
- ▶ Removable passenger seat for extra cargo space
- ▶ Sturdy front bumper
- ▶ Large, protective windshield
- ▶ Multi-function information panel
- ▶ Hand and thumb warmers
- ▶ Lightweight, rear-exit exhaust
- ▶ ProComfort rear suspension
- ▶ Integrated chain case with magnesium cover
- ▶ Genesis® 4-stroke Sport Performance engine

***Whenever, wherever
the snow falls, team
up with your Yamaha***

Being out on the trails or powder is one of life's great feelings, even when you're out there working. So enjoy our snowmobiles. Each one is designed and equipped to deliver supreme handling, performance, comfort, economy and reliability.

It's a winning combination you can depend on from your Yamaha – whether for work or play – along with totally dependable design and engineering that brings you and your machine closer together as a unit – to create a more rewarding riding experience than ever before.

So wherever you ride – on smooth or rough trails, soft powder or up at high altitudes – choose the perfect partner. Your Yamaha.

**2-Cylinder Genesis® 4-stroke Sport Performance engine**

The Genesis® engine is lightweight yet torquey, for quick acceleration. The counterbalanced, lightweight crankshaft helps yield snappy throttle response and smooth running. No matter the conditions, the Fuel Injection and digital ignition systems maintain the best fuel/air mix to keep the engine at peak performance.

ProComfort rear suspension with HPG gas cell shocks

ProComfort rear suspension is easily adjusted for one or two riders. A simple flip lever sets the torsion spring's rate and a pair of HPG gas cell shocks delivers consistent, smooth performance. It also features a tri-cam preload adjuster and adjustable control rod.

**406 mm semi-wide Camoplast® Ripsaw™ track**

Across the industry, the Camoplast® Ripsaw™ is acclaimed as the best all-around OEM track for acceleration, cornering bite and everyday trail usage. The Ripsaw™ track is the result of a collaborative effort between Yamaha and Camoplast®.

Spacious rear deck and cargo rack

The spacious rear deck and cargo rack that is such a feature of the Venture Multi Purpose means you can carry skis, snowboards, protective clothing or other cargo securely. The removable passenger seat allows you to take even more cargo on solo trips.

**Wide VK-type skis**

Wide VK-type plastic skis help keep the front end of the snowmobile up when travelling through deep snow, so you won't get bogged down. Combined with a specially engineered front suspension package, with lightweight extruded aluminium spindles, the Venture Multi Purpose glides over fresh powder or hard pack.

Tall windshield

For additional comfort on long rides, the tall windshield features a deflector lip that protects both rider and passenger from wind and snow. Securely affixed to the chassis, this tough screen offers consistent protection in all conditions.

Engine	
Type / Displacement	4 Stroke / 499cc

Snowmobiles are built to operate within their design limits. For durability, reliability, but most important of all, operator safety, under no circumstances should the recommended capacities identified in the owner's manual be exceeded. Consult your snowmobile dealer when selecting a snowmobile for your particular needs.

Always wear a helmet, eye protection and protective clothing. Always ride responsibly and within your limitations, respecting the environment as well as country and local laws. The riders depicted are professionals: don't attempt to emulate them. The specifications, measurements and appearance of Yamaha products will be varied from time to time without notice, and as shown here are illustrative only and are not a contractual description of products. Some models are shown with optional accessories.
